Accessori

Linea di soli prodotti permanenti con ammortizzatore speciale e pannello interno a 15 mt.

The diagram illustrates a 15-meter internal panel line. It features a central horizontal rail with various components attached. On the left, there is a blue mounting bracket (A5) and an orange sliding door mechanism (ND3). The rail is supported by blue brackets (A4) and includes a yellow sliding door mechanism (ND1). A coiled cable (C11) is also shown. On the right, there is a blue mounting bracket (A6) and a yellow sliding door mechanism (ND2). Below the main diagram, seven individual components are shown in separate boxes, each with a label: A5, ND3, ND1, A4, C11, ND2, and A6.

- A5
- ND3
- ND1
- A4
